WHAT IS ONLINE QUOTE & SHIP?

Shipping with SwiftPac Just got Easier!

- ✓ Introducing the new SwiftPac **Quote & Ship** feature designed to **Save you time and money** and customize your shipments.

Get a Quote, Ship and Pay online from anywhere in the USA and the Caribbean - all from your computer or mobile device.

- ✓ Enjoy the Convenience and Efficiency of our **Easy to-use Form!**
Quickly get Rate Quotes and Transit Times by selecting the origin and destination addresses and any Services required then entering package types and details.

- ✓ When you are ready to Ship, you have **Multiple Payment Options** including credit card or billing to your SwiftPac account.

- ✓ Once processed, you receive **Email Notices** and can **Track** your shipment at www.swiftpac.com. Pre-populated drop-down fields with Office Locations, Account information and more are available to make it simple!

- ✓ To get started, head over to our **website** home page and click **Quote & Create a Shipment** – the first option under the **Swift Tools** menu.

Contact your local agent for more information or assistance.
